## Trip 2: October 4 - 11, 2015

Jan, Levi & Franz will host you for an unforgettable week. You'll be riding the best of Napa-Sonoma as known only by local legends Levi Leipheimer and Mike Benzinger (founder of Benzinger Winery). From our base at the splendid Montebello winery estate, we will transfer by private plane to Kern Schumacher's extraordinary lakefront estate on Lake Tahoe. Besides mountain and road bike riding, you have the option to select from a myriad of activities such as hiking, tennis, golf, horseback riding and any kind of water sports. We will cap the week off with a scenic helicopter flight over Lake Tahoe and the Sierra Nevada mountains to historic Virginia City. From there our benefactor Tahoe-Pyramid Bikeway group will lead us on a ride through our incredibly diverse area, showcasing wild mustangs, the Nevada desert and the Tahoe-Pyramid Bikeway along the Truckee River to our final destination of Reno.
